

US Census Geographic Places** Population Growth Rate 1990-2000 St. Johns County

Census 2000 Data
This map highlights some of the early results from the Census 2000. The Census 2000 data is being released throughout the Spring, Summer, and Fall of 2001. Census data can be mapped to Census Tracts, Blocks, or as this map shows, geographic places. With 2000 population data recently released, this map compares the growth rates from 1990 to 2000.
